Dear Sir:

I, Angela Dallas Sebor, am a Patent Agent and represent Applicant in the above-identified patent application. I hereby confirm that the amendatory material amended into the specification in the Amendment and Response filed on this date consists of the same material incorporated by reference in the referencing application.

Specifically, new Examples 35 and 36 that are added to the above-identified specification are Examples 5 and 6 that are disclosed in U.S. Application Serial No. 10/276,358, which is a priority document for the present application, and which was incorporated by reference in its entirety on page 1, lines 35-36 of this application. The Example numbers and the Table numbers have been changed to correspond to the numbering of the present application.

I hereby declare that all statements made herein of my own are true and that all statements made on information and belief are believed to be true; and further that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the subject application or any patent issuing therefrom.
